WHEN WE FIRST <sup>ARRIVED</sup> ~~CAME~~ HERE, THIS WORLD WAS LUSH, GREEN, PERFECT. THEN THE SLAVERS AND THEIR ORE MERCENARY SCUM CAME. In a year they had destroyed all our cities and enslaved millions. THEY HARVESTED THE ENERGY OF THIS PLANET TO POWER THEIR WAR MACHINES.

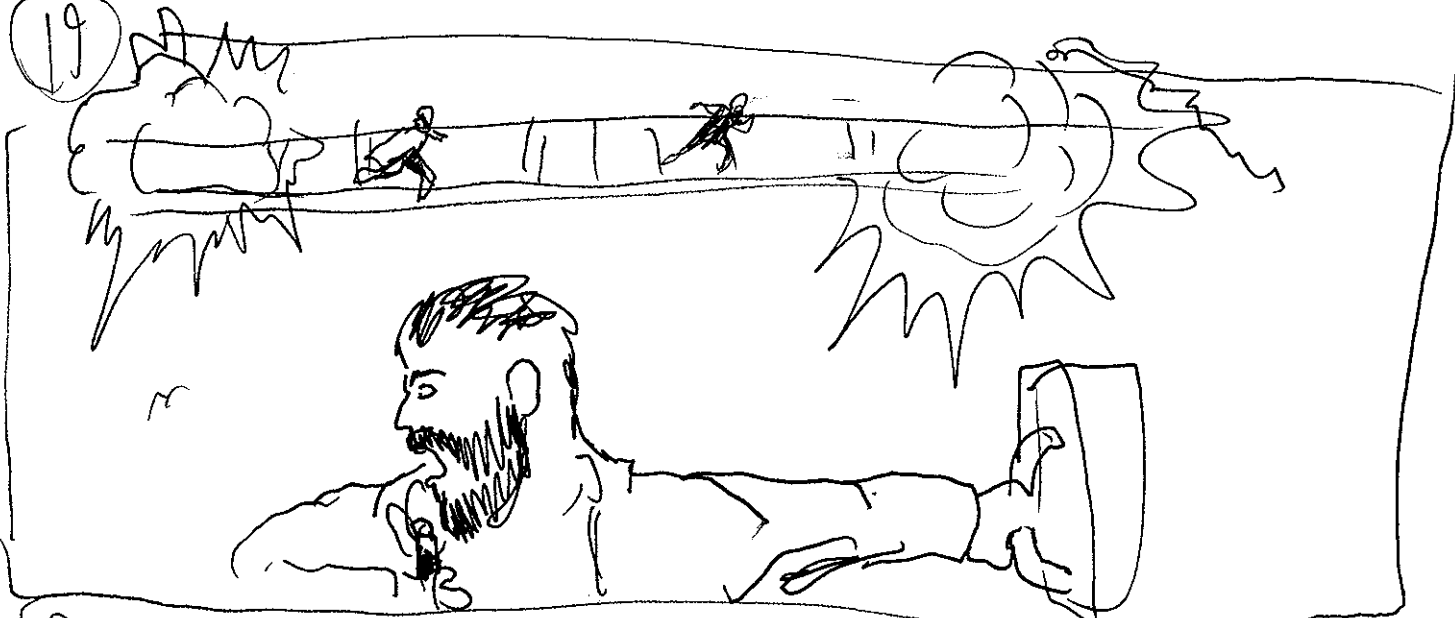

BEFORE, ALL WAS LOST, WE TRIED TO FORGE AN ALLIANCE WITH THE DRAGONS

THE ONLY BEINGS CAPABLE OF HELPING US TAKE OUR WORLD BACK

DRAGONRIDERS WERE TRAINED,

Over the ~~century~~ <sup>years</sup> Bred with their Dragon counterparts, these Superhuman warriors, were stronger, more adept and bold than most. Strength, Flight and Fire of the Dragons

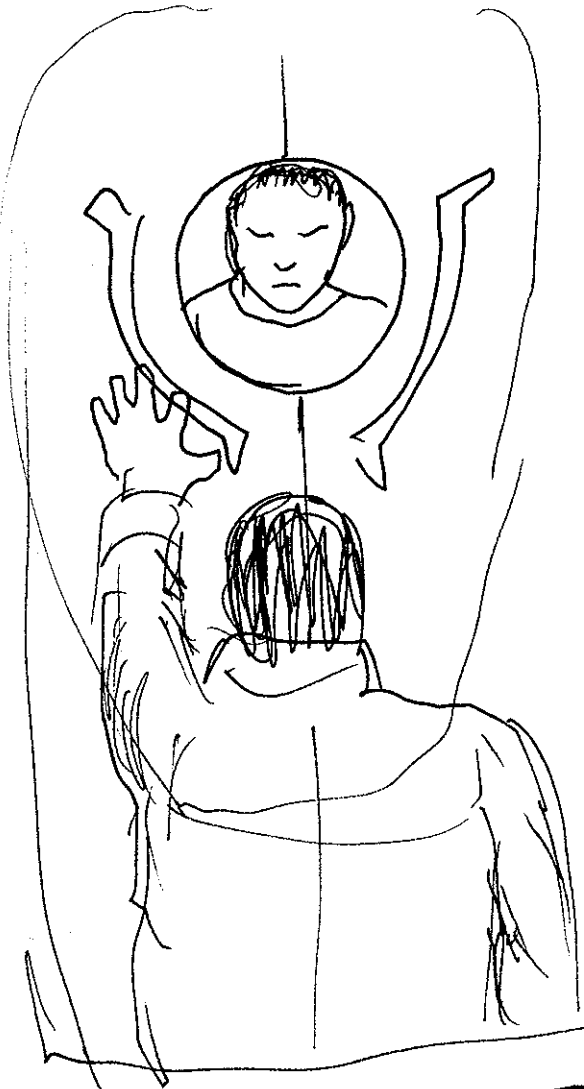

Our Top Secret facility was ambushed, on the eve of  
 activating a regiment of Dragon Riders to rattle the shuttle  
 coastlines and drive the ~~back~~ ~~over~~ back.

I MADE IT TO THE EASTERN  
 WASTES, ARMED WITH OUR  
 ONLY LAST HOPE.
