That night

Do you think he is asleep yet?

...

He should be. I'll check..

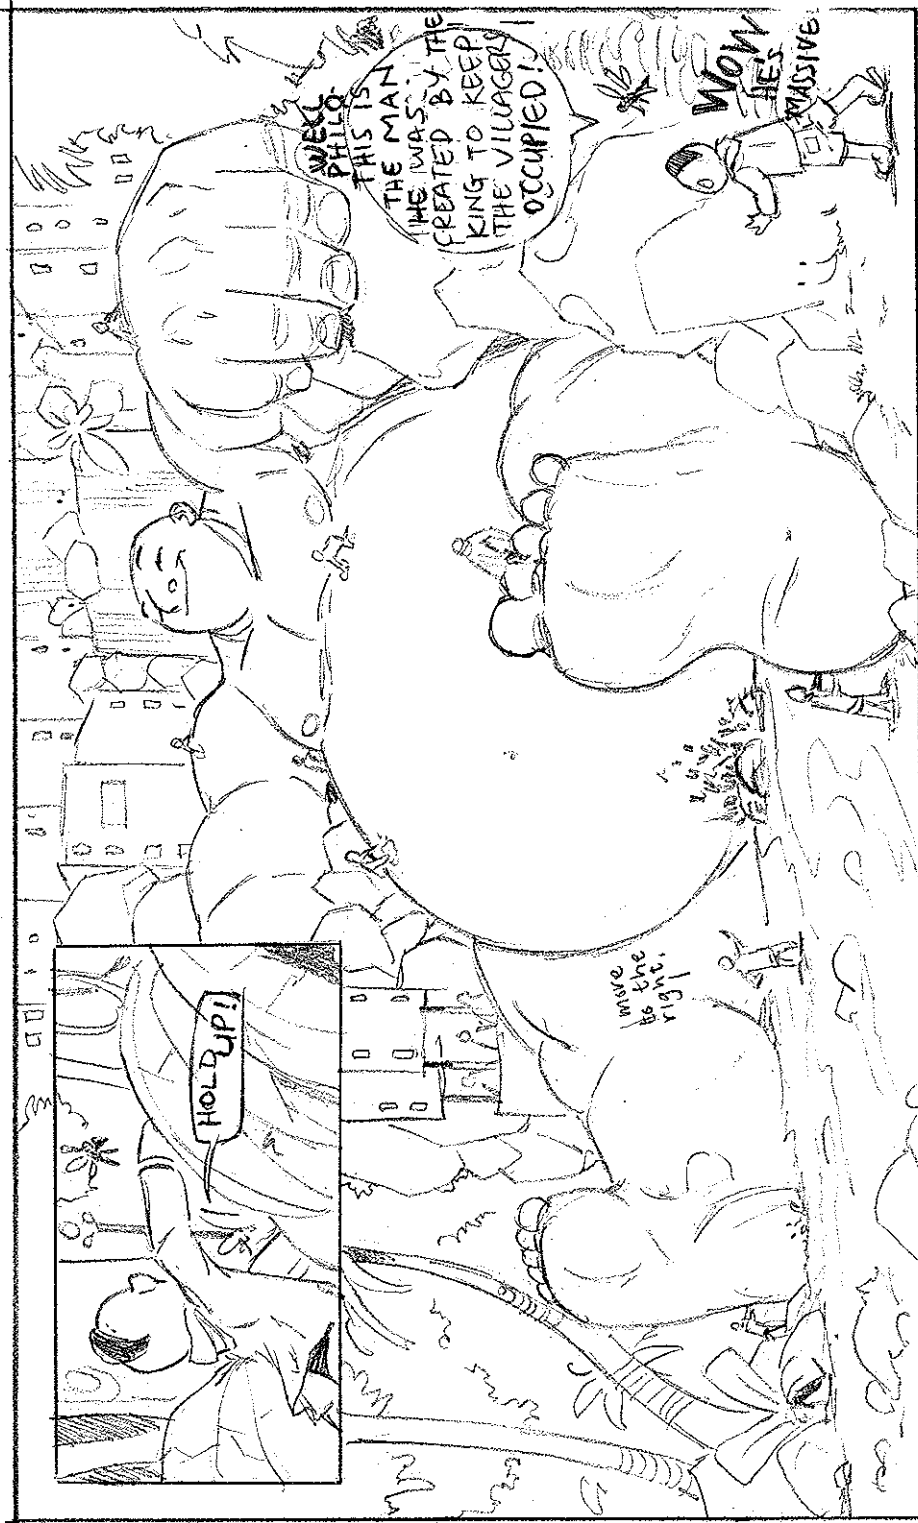

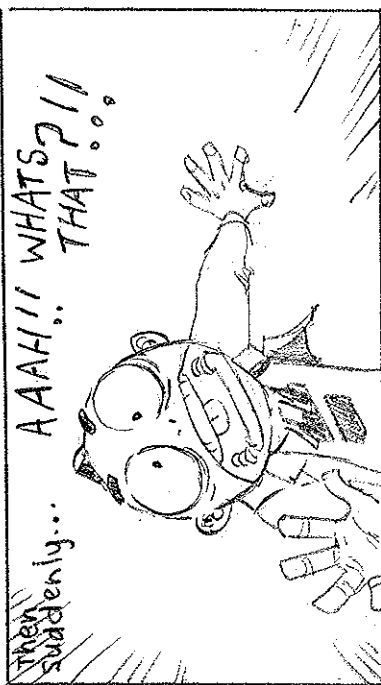

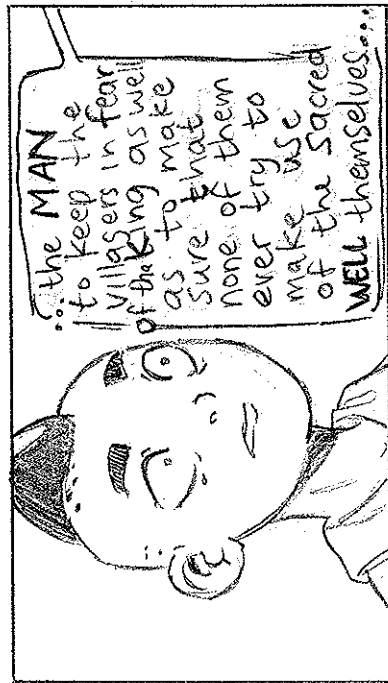

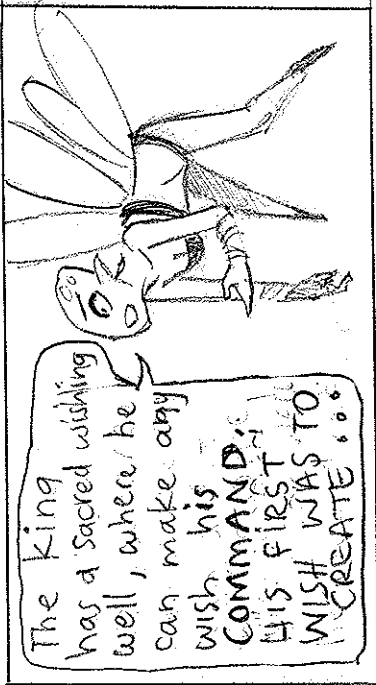

Yeah he's asleep.

...and he's got the wishing coin, dress him and get him to the enchanted Island before dusk

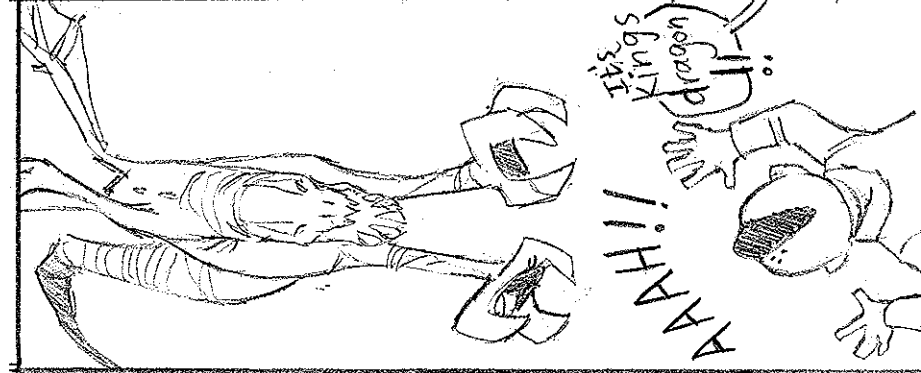

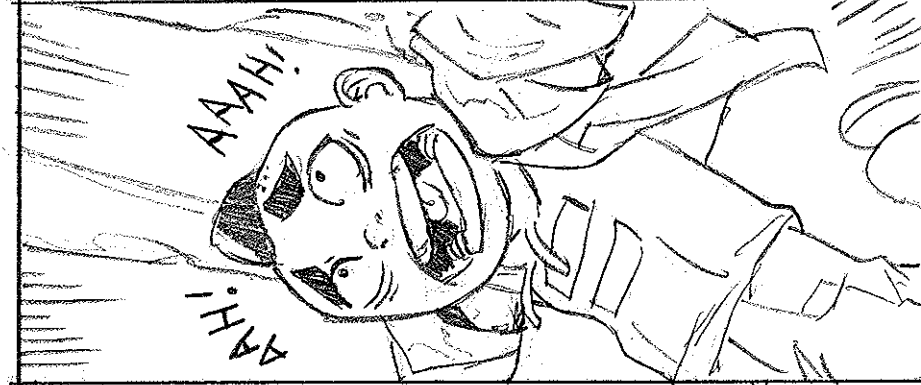

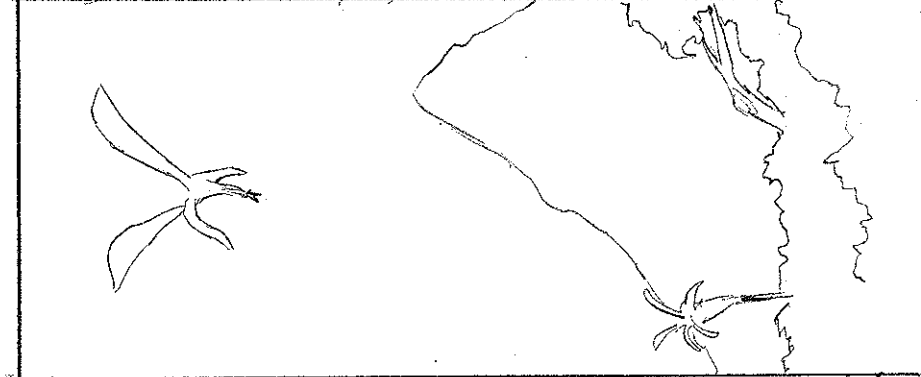

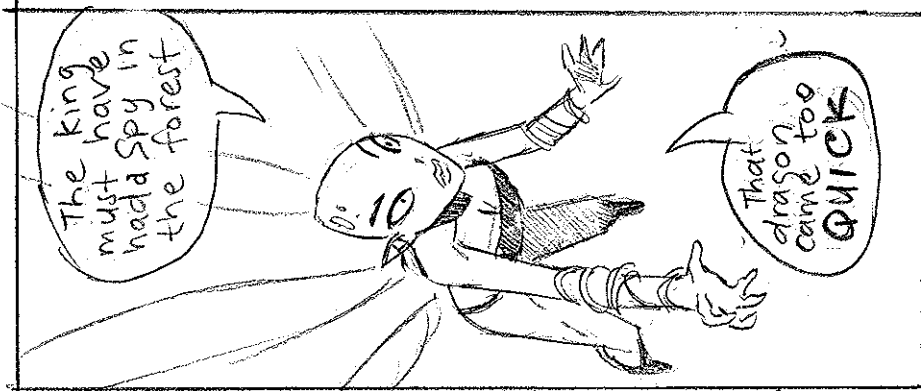

the wish to...

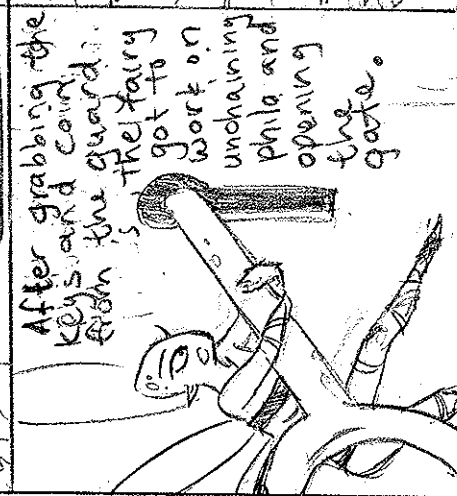

Excellent

this  
evening

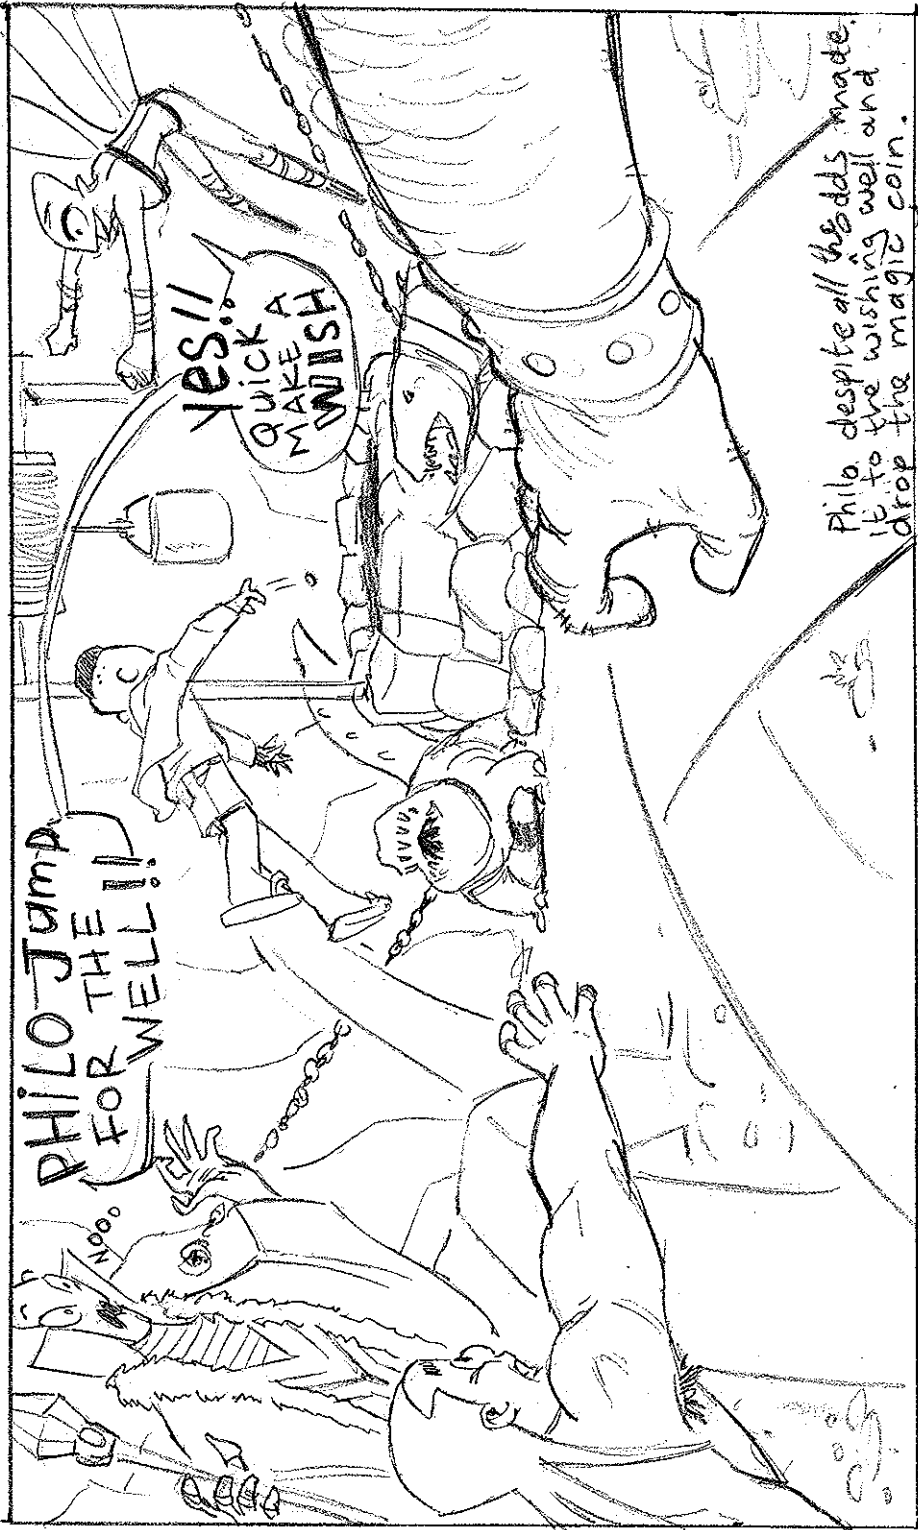

Little boy you  
think you can bring a  
wishing coin into my  
world and think it will  
go unnoticed??

GROG tie  
him up and  
take the  
coin I'll

Philo couldn't avoid making the slightest noise.

I wish that everyone in this world becomes as big as they have treated others.

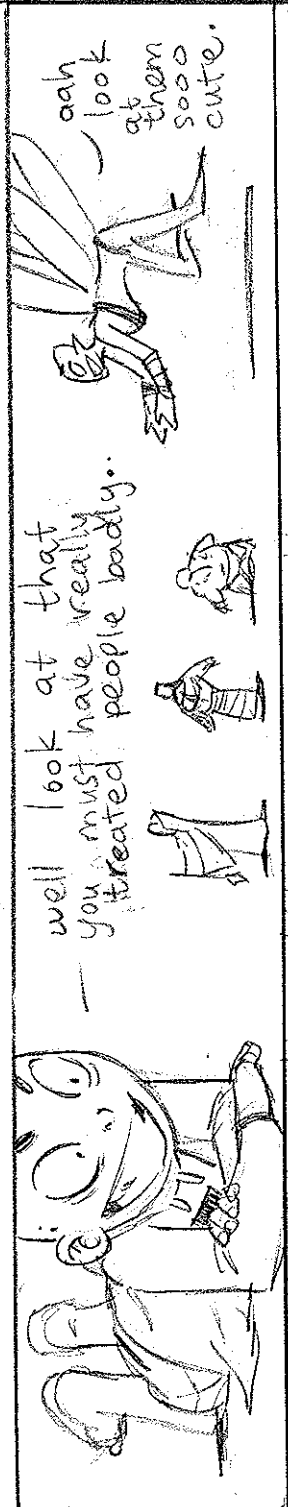

GULP

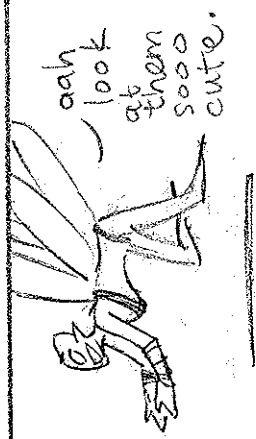

WHAT does that mean?

It means we're screwed.

you must have really  
treated people badly.

Philo had done it.  
But I wish I could  
tell you that he  
returned home to  
go fishing with  
his dad and that  
everyone recieved  
free healthcare  
and that everyone  
was rich and the  
world knew peace  
and that Philo  
won a coin and  
saved an enchanted  
island from a  
tyrant... but  
the truth is...

... Philo lived on the street  
with his begging mother  
and his baby brother.  
Philo spent most of his  
day in a dreamland to  
escape his everyday...
